# Amit Sargar

Assistant Vice President

## PROFILE SUMMARY

I am an **Assistant Vice President at Deutsche Bank**, with overall **10 years of experience in full-stack development**. I ensure successful end-to-end project delivery, leading high-impact projects that improve efficiency and productivity. Recognized as the **go-to person for technical challenges**. I excel in team settings, adapt well to change, and perform effectively under pressure, consistently solving problems and meeting productivity goals.

## EDUCATION

2015

MCA

**Veermata Jijabai Technical Institute (VJTI), Mumbai**

## WORK EXPERIENCE

- Mar 2020 - Present
- Assistant Vice President  
**Deutsche Bank, India**
- As a **Full Stack Developer**, I handle development from **Angular to Spring Boot** and manage **deployment** as well. Notably, I developed a **generic, configuration-based dashboard** adaptable for similar views with minimal effort. Additionally, I have been involved in **migration projects from OCP3 to OCP4** and **disaster recovery strategy of applications**.
- Dec 2016 - Mar 2020
- Consultant  
**Deloitte Consulting USI**
- Worked on the Agent Portal and upgraded the payment gateway for PCI compliance using Authorize.js. Represented Deloitte in the **Code Gladiator Finals** (2017, 2018), earning top recognition and participating in a Guinness World Record event.
- Jan 2015 - Dec 2016
- Associate Software Engineer  
**Pragmatix Services Pvt. Lmt.**
- Started as an intern**, I developed multiple platform modules, including a Smart Search module and a Download Automation solution for bulk file downloads, and enhanced the reporting framework.
- After a 6-month internship**, I contributed to the design, development, and optimization of the Rule Engine for NPA and EWS solutions and the Reporting Dashboard.
